

Advanced Chorus

Advanced Chorus is offered to students who exhibit advanced skill levels in music literacy and vocal technique. The content of the course is designed to develop the students' technical, musical and performance skills. The music studied by this choir is challenging and requires a desire for excellence on the part of its members. Students are required to perform in the winter and spring concerts, local and district choral festivals and other performance opportunities. Music performed covers a wide range of historical periods and musical styles. In addition to the regular class period, Advanced Chorus students often practice one day per week, either before or after school.
