

Advanced Literacy Strategies B (Semester 2)

Using research-based programs, this course strengthens skills in reading, writing, speaking, listening and thinking. Students learn strategies to develop vocabulary, increase fluency and improve reading comprehension and writing skills in all curriculum areas. An important objective of this course is to encourage students to read independently for enjoyment. Coursework is differentiated to meet individual student needs.

Elective Credits: 0.5

School Level: High School

Grade: 9, 10, 11, 12

Program: English Electives
