

Mixed Choir

This is a beginning choral course taught at the instructional level of the Concert Choir course. Choir students are provided the opportunity to concentrate on the varying demands of vocal technique for each piece of repertoire that is studied. Music performed covers a wide range of historical periods and styles. Difficulty ranges from Grades II to IV of the Virginia Choral Directors' Association (VCDA) rating system. Choir members are expected to perform in the fall, winter and spring concerts and participate in local/district festivals as determined by the director.
