

Advanced Choir

The Virginia standards for High School Vocal/Choral Music, Artists Level enable students to refine musicianship skills in individual and ensemble performance. Students continue to develop the ability to evaluate musical performances and articulate preferences and choices through the use of cognitive skills and analytical thinking. They expand their connections to music in the community and the world and develop individual performance portfolios. In-depth experience in solo and/or ensemble singing and the use of foreign languages assist in preparing the student for future musical and vocal development and career opportunities.
