

Symphonic Band

Students study a variety of styles of music literature, emphasizing full band, solo and ensemble performance. Students continue to develop good tone, intonation, articulation and style. The Symphonic Band participates in school concerts and local, district and regional festivals. Students are introduced to the fundamentals of marching to prepare them for the high school marching band program. Some marching activities are provided. In addition to the regular class period, Symphonic Band students usually practice one day per week, either before or after school. Symphonic Band students may choose to participate in the Jazz Band, which also practices one day per week, either before or after school.
