

# Dual Enrollment College Composition 12

This is a two-semester dual enrollment course offered through NOVA. Students who successfully complete this course earn six college credits in English Composition. Students develop writing ability for study, work and other areas of writing based on experience, observation, research and reading of selected literature. This course guides students in learning writing as a process, understanding the audience and purpose, exploring ideas and information, composing, revising and editing, and supports writing by integrating experiences in thinking, reading, listening and speaking. Students need a C or better at the end of the first semester to enroll in the second-semester course. Students who do not have a C or better will be moved to a non-college-level course.
