

Math Honors 6

The Math Honors 6 course is a rigorous exploration of the 6th grade Virginia Mathematics standards of learning core content and process strands in mathematics. The course is taught at an accelerated pace to allow for deeper enrichment within the content area. Math Honors 6 emphasizes enhancements via problem solving and deeply enriched conversations and simulations. Focus is distributed across all context in number and number sense; computation and estimation; measurement and geometry; probability and statistics; and patterns, functions and algebra.

School Level: Middle School

Grade: 6

Length: full year

Program: Mathematics Core Courses
